

STP Reporter for Small Business

STP Reporter is a standalone payroll app designed to make it really easy and affordable for small businesses to prepare and lodge ATO compliant Single Touch Payroll reports.

Eliminate Manual Data Entry to Improve Speed and Accuracy

GovReports STP Reporter simplifies the process of calculating pays, generating payslips, automatically prefilling the STP return and then lodging directly with the ATO.

Flexibility for Online Accounting Users

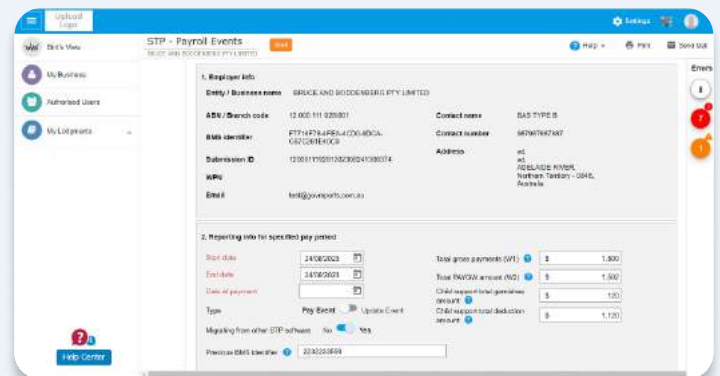

If your current software cannot lodge STP Phase 2 compliant reports, GovReports STP Reporter makes it a breeze to import then lodge the required payroll details.

Complete and Proven Capability

Since first being certified by the ATO back in 2011, GovReports has been used and recommended by accounting and tax professionals across Australia.

Optional Online Accounting app

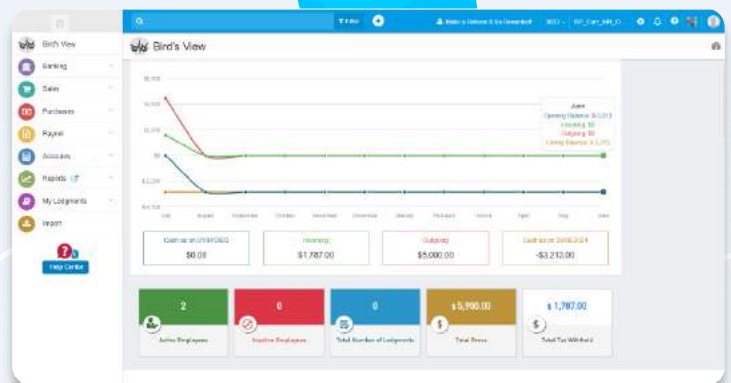

GovReports Business Ledger should be considered if you're using a spreadsheet to record your sales and expenses. You can prepare your accounts and payroll and lodge the related Activity Statements, tax returns as well as STP using one simple solution. For further details about our online Business Ledger module.
