

Proven End to End Software for Bas Agents

Since 2011 GovReports has developed and supported an end-to-end cloud solution that combines compliance and practice management functionality for professional BAS Agents and bookkeepers.

Simplify your compliance services by automating the complete process from adding new clients via an ATO sync to sending engagement letters, tracking your time, finalising the accounts, digital signatures, and then lodging returns and invoicing.

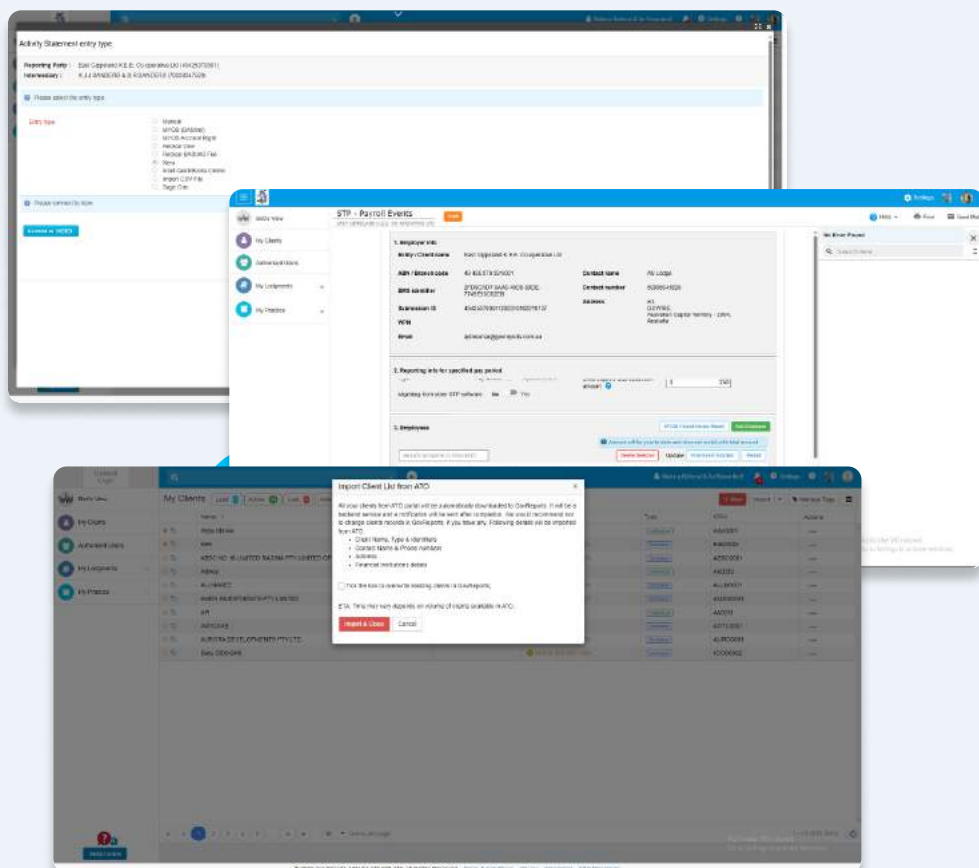

PREFERRED LODGMENT
SOLUTION OF THE INSTITUTE

Bookkeepers & Accountants

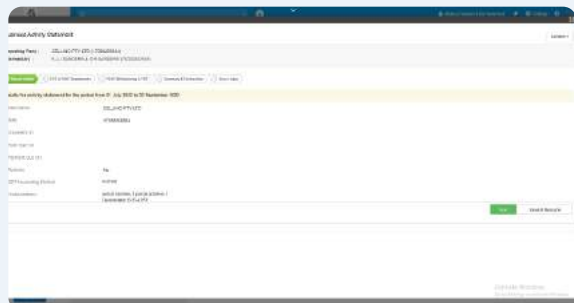

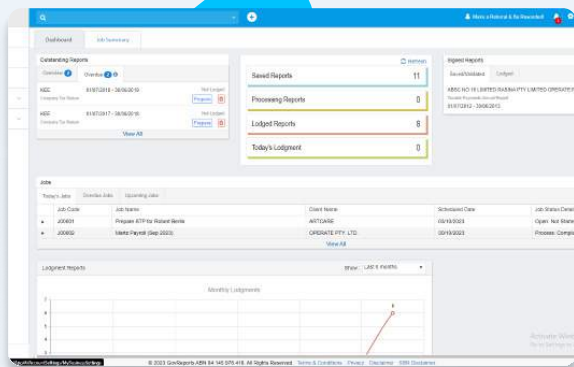

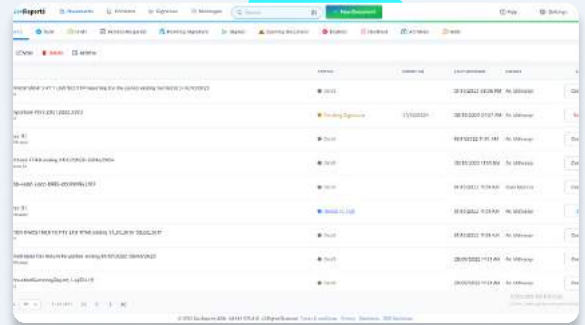

ATO Forms

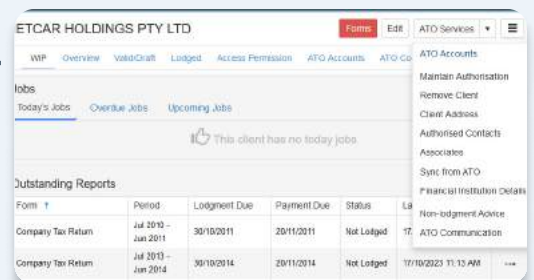

- IAS
- BAS
- STP
- Payroll Tax
- PAYG
- TFND
- TPAR

Full featured BAS AGENT software that is super easy to use

- Up and running immediately. GovReports operates on all current browsers.
- Nothing to install, maintain or backup.
- Seamless integration with all popular online accounting apps.
- Update client details and sync with the ATO.
- Inbuilt unlimited e-signatures.
- Optional integrated IAM Ledger for internal accounts and SME clients.

- View the ATO Client Account in real time.
- Manage your own or your team's workflow and tasks.
- Customise jobs, tasks and checklists, and integrate with your calendar.
- Create branded email templates and letters for your practice; or use the default set.
- Track billable and non-billable hours against jobs and tasks.
- Easy Single Touch Payroll reporting for client businesses without electronic payroll software.
- Track your lodgment history and view outstanding reports from your dashboard.
- Lodge BAS and all other ATO forms from the one place.
- Forms are automatically queued for later lodgment if the ATO is offline.
- Automatically email lodgment receipts to your clients.
- Manage user access to clients and lodgment/reporting capability.
- Add additional users in seconds as you grow.
- Free, responsive telephone support.
- Free online training videos and knowledgebase access.
- Your valuable data is secured to ATO and global standards.
